Conclusion of the IEP. *

*Not mandatory for final grading and certification.

Peer Working Groups

The Peer Working Groups (PWG) complement the four modules providing an opportunity to deep-dive in a specific sub-theme chosen by the participants related to one of the modules.

An expert in the academic network will offer guidance and input to each group.

The overall time commitment of participants into the PWG will be approx. 2 hrs/week.

The participation to the Peer Working Groups is mandatory for final grading and certification.

Works for the PWG will be submitted for evaluation on:

- October 19,
- October 26,
- November 2,
- November 9.

Application and fees

The fee for the 2020 edition of the International Executive Programme is €300.

The fee for SAI Platform members is €250.
