The European Roundtable for Beef Sustainability (ERBS) is a multi-stakeholder platform of organisations from across the value chain focused on beef sustainability across the European region. The ERBS unites the activities of the European beef industry on its sustainability journey which promotes measurable positive impacts and continuous improvements to key sustainability priorities. The ERBS is hosted by the SAI Platform. The Sustainable Agriculture Initiative Platform (SAI Platform) was established in 2002 by the food and drink industry to support and champion the development of sustainable agriculture worldwide. Today it has over 170 members across the value chain, covers major agricultural commodities and operates globally. It plays an important role in the transformation of food systems through the adoption of sustainable agricultural practices.

**Beef Livestock Officer – 12-month contract**

The ERBS is recruiting a Beef Livestock Officer for a 12 month contract. This is an exciting role and a unique opportunity for a highly motivated individual to support the ERBS at a crucial time of growth and expansion of the Roundtable. ERBS is seeking someone with experience in sustainable agriculture, with a strong interest to support cross-sector collaborative industry solutions. The role will involve occasional travel.

**Responsibilities**

Work with the ERBS Lead and ERBS members to:

- Lead the ERBS Communication Working Group, including the design and the delivery of the annual 2024 communications plan
- Design and deliver ERBS communications to members and external stakeholders through a variety of channels (newsletters, reports, social media, and website)
- Grow the awareness of the ERBS and facilitate knowledge share for members by designing and facilitating key member events, both online and in-person
- Act as the link between ERBS and other SAI Platform working groups on key topics of interest, including the Dairy Working Group, facilitating flow of communication and identifying opportunities to share knowledge.
- Support on analysis and synthesis of progress reporting data and information
- Support on growing the ERBS with new members, partner organisations, supporting stakeholders and countries
Candidate requirements

- Experience in agriculture or environmental science, preferably in the food supply chain
- An interest in driving credible change in sustainable agriculture
- Service-oriented attitude with good organisational and interpersonal effectiveness and influencing skills
- Native or near-native level English speaker with excellent verbal and written communication; additional languages are an asset.
- Self-motivated and able to work remotely with a virtual team.

Applications
With this position, the ERBS and SAI Platform offer an influential role in the European beef agricultural sector. Employment will be on a 12-month contract basis. For this role, we invite candidates of all nationalities, with a European work permit. SAI Platform is unable to sponsor a work permit for this role.

Please send your application (a CV of no more than two A4 pages, and a one-page cover letter) to sbradley@saiplatform.org mentioning ‘ERBS Contract Livestock Officer’ in the subject line. Send your application no later than 5th July. For more information about this position, please send an email with your queries to sbradley@saiplatform.org.
