INNOVATION SUMMIT

London, September 20-21, 2022

Software & Tech Providers

Robotics & Equipment

Governments, Associations, NGOs

R&D, Law, Consultants

Public Affairs

We're getting bigger and bolder in 2023, with more space entirely dedicated to agtech innovation, all on one floor!

NETWORKING

Make vital corridor connections, reconnect with industry colleagues and meet new faces during networking breaks and the happy hour.

MAIN STAGE

The busy programme features influential agri-food decision-makers and innovators in panels, presentations, success stories and start-up pitches.

1-1 MEETINGS

Schedule 1-1 meetings with agtech players eager to make connections. With the whole industry under one roof, fuel your pipeline for the year ahead.

**NEW FOR
2023!**

START-UP ARENA

BREAKOUTS

Build your schedule around the topics that interest you most with intimate, small group breakout sessions and roundtables alongside the main agenda.

EXHIBITION

The exhibition space, packed with hands-on demos and animations is where you'll keep ahead of the latest trends in the industry and experience new technologies.

VENUE

The action takes place in The Intercontinental London the O2, packed with restaurants and live music, for your ultimate business trip experience.

Start-ups take pride of place with a whole new area dedicated to pitching sessions, start-up booths and networking.
