

# International Executive Programme on Sustainable Sourcing & Trade

## Edition 2023

### FIELD TRIP

### REGENERATIVE AGRICULTURE | 23-25 OCTOBER

A practical and innovative component has been added to this year's edition of the Executive Programme, an optional **field visit near Lisbon, Portugal** to experience **regenerative agriculture**: smart farming, conservation agriculture and sustainable agriculture practices.

The field trip will include visit to farms of **Veracruz Almonds and Monte Silveira Bio** with their experts and practitioners who will offer participants a hands-on training on sustainable agriculture.

There are **limited seats available** for the field trip activity allocated on a first come-first served basis. Please kindly note that the field trip activity is not a mandatory part of the executive programme, so you may also only register to participate in the online classes.
