

## SUSTAINABLE AGRICULTURE

# Powered by People

SAI Platform is the leading global initiative uniting the agri-food industry in the drive towards sustainable agriculture.

For over 20 years, we have harnessed the collective power and expertise of the agri-food value chain as a force for continuous improvement. Today, we continue to forge partnerships and develop pragmatic solutions that protect and regenerate the natural environment, the welfare of farmed animals, and the livelihoods of farmers and rural communities.

## Why Join SAI Platform?

### Global Network and Influence:

Connect with over 190 industry leaders and shape the future of sustainable agriculture.

#### Join SAI Platform to:

- **Engage with Key Players:** Gain access to a worldwide network and build relationships with leading companies and thought leaders in the food and beverage industry.
- **Influence Industry Standards:** Participate in shaping global sustainability standards and practices.

### Recognition and Credibility

Gain recognition as an industry frontrunner and boost your company's ESG reporting.

#### Benefits include:

- **Industry Leadership:** Strengthen your company's credibility and public image as a leader in sustainability within the agri-food sector.
- **Improved Reporting:** Support your Environmental, Social, and Governance (ESG) reporting with credible and recognised sustainability achievements.

### Collaborative Opportunities

Engage in multi-stakeholder initiatives and projects to drive collective action towards more sustainable sourcing and food production.

#### As a member, you will:

- **Achieve Collective Impact:** Collaborate with diverse stakeholders, including farmers, NGOs, academic institutions, and industry peers.
- **Drive Innovation:** Work together to address shared challenges and create lasting improvements in sustainable agriculture.

### Credible and Robust Solutions

Access globally recognised industry solutions to drive your sustainability targets across beef, crops and dairy sectors.

#### Membership provides:

- **Proven solutions:** Implement industry-recognised industry solutions like the Farm Sustainability Assessment (FSA), Sustainable Dairy Partnership (SDP), the European Roundtable for Beef Sustainability (ERBS) and the Regenerating Together Programme (RTP).
- **Reliable Data:** Utilise practical tools to leverage robust data and insights to achieve and track your sustainability goals.

### Exclusive Resources and Insight

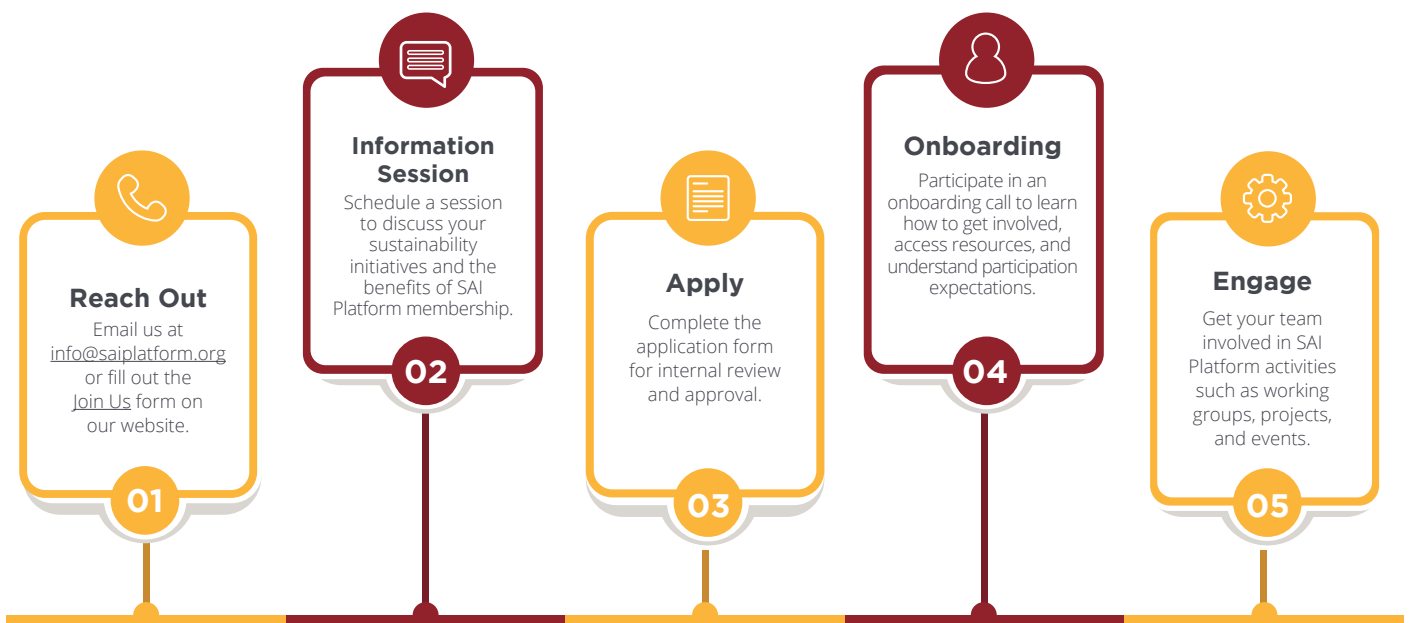

Receive practical support, guidance, and development opportunities tailored to your needs.

#### Members receive:

- **Expert Guidance:** Exclusive access to our extensive knowledge base, resources, best practices, tool and programmes designed by industry experts to support your specific sustainability challenges and goals.
- **Continuous Learning:** Empower your team and organisation to implement sustainable practices effectively through our workshops, training sessions, and knowledge-sharing events.

**Join SAI Platform today** and be part of a global movement for a more regenerative, resilient and equitable agricultural system.

## How to Join SAI Platform in 5 Easy Steps

**Become a SAI Platform member** to join the leading global initiative advancing sustainable agriculture.
