

Call for Volunteers: FSA Due Diligence Add-on Pilot

GAIN EARLY ACCESS AND HELP REFINE THE FINAL RESOURCES BEFORE LAUNCH

SAI Platform is inviting member companies to volunteer for a desk-based pilot of selected resources from the FSA Due Diligence Add-on. Your feedback will directly shape the resources ahead of the launch of the Add-on.

What You'll Pilot

- Risk Assessment Approach
- Handbook
- Farm Management Group Level Questionnaire
- Mitigation Plan Template

Who Should Participate?

- SAI Platform members (or their suppliers/partners) who have previously implemented the FSA
- Access to completed FSA Self-Assessment Questionnaires (SAQs) is required
- New to the FSA? You can still take part, but completing the SAQs first is a significant time investment beyond the 4-hour pilot commitment

Timing & Commitment

- **Pilot window:** Late September to early November 2026
- **Time commitment:** Approximately 4 hours
- **Format:** Desk-based review completed at your own pace
- **Materials:** Resources and detailed instructions will be shared with volunteers prior to the start of the pilot
- **Feedback:** Complete a short feedback survey at the end of the pilot

Why Participate?

- ✓ Early access to the Add-on
- ✓ Influence the final design
- ✓ Strengthen due diligence capability
- ✓ Recognition within the SAI Platform community

Outputs

- Practical experience applying the resources
- Opportunity to contribute to field-tested final versions
